

2021 Kamloops Pattern Challenge

Mark your calendars for July 23 – 25th 2021 for the return of the Kamloops Pattern Challenge. The contest will again be held at the Kamloops Tournament Capital Ranch grounds north of Kamloops (5375 Yellowhead Highway, Kamloops, BC). More information, including a video of the flight area, is available at

<http://highcountryflyers.homestead.com/index.html>.

There is a \$16.00 fee to camp at the grounds for the weekend, payable to the City at the entrance pay station.

First time pilots fly free so I hope to see a lot of first-time pilots.

The \$35.00 contest entry fee includes your flying, trophies, coffee and muffins in the morning and lunch.

Pilots will be able to arrive for practise Thursday and practice Friday. Pilots' meeting will be 9:00 am on both Saturday and Sunday morning. Campers can stay until Monday morning.

We will be flying the new MAAC Precision Aerobatics schedules found here, <http://f3acanada.org/canadian-precision-aerobatics-schedules/> FAI pilots will decide at the pilots meeting if they will only fly P or both P and F.

If you have any questions, please email Darren - darren@valley.bc.ca or give Henry - piorun@uniserve.com.
